

Salamander Grill

The SEM800Q

The SEM800-Q puts versatile powerful performance at the heart of your kitchen. Ideal for grilling and finishing, our precise height adjustment system allows you to bring the right heat to your food giving quality results on time every time. Featuring our clean efficient quartz tubes with infrared elements which minimise smoke and odours, the speed of cooking and the rapid heat up time saves on energy consumption without compromising on performance.

Features: 3 cooking zones.
