

Quartz Grill

---

## The TS1270

This powerful grill is perfect for toasting, grilling and re-heating sandwiches and snacks of all kinds, including Pizza, Croque-Monsieur, Quiches and toasts. Heating from top and bottom the TS1270 is a high speed toaster or it can be used as a traditional salamander by just using the top elements. With a heat up time of just 30 seconds the TS1270 is an efficient cooking platform and the radiant infrared technology keeps smoke and odours to a minimum making the TS1270 ideal for front of house use.

### Features:

15 Minute timer with constant override

Infrared Quartz elements

Independent control of top and bottom elements

Shelf takes a full 1/1GN tray
