

Refrigerated Display - Vertical

The RD80 F

The RD80F is a magnificent way to display your chilled menu. Thanks to the LED white light strips inside each corner, running the full height of the cabinet, and clear glass panels on each side, all double glazed for efficient temperature control, the RD80F perfectly presents your cakes and desserts and all chilled foodstuffs. The door even has a hidden handle so as not to obscure the view. The ventilated refrigeration system provides an even temperature throughout the whole cabinet between +2[°] and +10[°]. Supplied with 5 fixed clear glass shelves.

Features: electronic thermostat with auto defrost programme; white LED lighting; CFC free refrigerant; magnetic door closing; sturdy double casters

Weight	200kg
Dimensions (mm)	800 x 630 x 1850
Shelf Area (mm)	630 x 455
Power	0.69Kw
Temp Range (°C)	+2° to +10°
Refrigerant Gas	R134A (CFC free)
Compressor	Tecumseh (France)
