

Refrigerated Display – Vertical

---

## The RDN600F

The RDN600F perfectly presents your frozen menu , ice cream desserts and ice cream etc. High light your food with “white-cold” LED illumination, running the full height of the cabinet in each corner. Stainless Steel construction with triple glazed panels and doors, featuring hidden elements to combat condensation. The door even has a hidden handle so as not to obscure the view. The ventilated refrigeration system with the evaporator mounted in the top gives an even temperature throughout the whole cabinet between.

Features: electronic thermostat with auto defrost programme; interior LED illumination; CFC free refrigerant. Supplied with 5 fixed glass shelves. Available in white, black or stainless steel finish.
