

Chicken Rotisserie

The RBE80Q

The movement will catch their eye and the smell of great spit roast chicken will bring your customers back for more! Healthy, clean and simple to operate the Roller Grill range of rotisseries is the perfect addition to your front of house area or kitchen. The RBE80Q will cook 6-8 birds in approx 80 minutes, then display them in the heated holding area whilst the next batch is cooking. Also available is the B3 clamp spit for cooking wings and drumsticks or even lamb chops.....

Features: infrared quartz technology, internal light, 2 power settings, "power on" light, Independent spit control
